FUNDING THE UNIVERSITY OF TEXAS AND TEXAS A&M UNIVERSITY SYSTEMS SINCE 1839

Seismic Permit Application

Please TYPE or print LEGIBLY

Date: _____

	Company Name & Address		Individual Contact Person
APPLICANT:	_____	Attn:	_____
	_____	Phone:	_____
	_____	Email:	_____

Before issuance of a geophysical permit, the following must take place.

1. Submit with this completed application:
   - Legible hard copy of map identifying C/B/S of proposed area and showing source & receiver layout
   - A hard copy of an Exhibit A table using the format listed below.

County	*Block*	*Section*	*Portion*	*# Acres*

2. Upon Receipt of the above, University Lands will email an invoice to the Contact Person and provide addresses for you to email:
   - Word or Excel version of Exhibit A
   - Shapefiles of the area covered

University Lands will email a permit for signatures once all items above are received; when signed & returned by Permittee, University Lands will execute.
