RE: UT Lease #34068, E/2 of Section 12, Block 8, Andrews County, Texas,  
 University "8-12" #5 oil well, Hutex (Devonian) field, RRC #32161

Dear Supervisor:

Our records indicate that the captioned lease has terminated effective midnight March 2, 1995, due to more than thirty (30) consecutive days of non-production. One hundred percent (100%) royalty is due the University on any production from this lease after said date. If you are in disagreement with this conclusion, please advise us of your position.

Termination of this lease does not relieve you of any rentals, royalties, or financial obligations which may have accrued during the term of this lease. Please comply with all plugging provisions as required by the rules of the Texas Railroad Commission.

Thank you for your past cooperation and we shall look forward to working with you again. If we can be of any further assistance, please do not hesitate to contact us at (512) 499-4712.

Sincerely,

*Grace Crum*
