Notary Public in and for Midland

County, Texas

INSTRUCTIONS

- Item 2. a. The name of reservoir should correspond to reservoir nomenclature as outline in above order and field rules.
- Item 4. b., c., and d. These forms may be secured at nearest Commission District Office or the Commission's Austin Office.
- Item 7. Request for waiver must contain the following:
- a. Operator, lease, and well number involved.
 - b. Copy of application for dual completion.
 - c. Date application will be mailed to the Commission's Austin Office.

Should all necessary waivers not accompany application, the Engineering Department of the Commission shall hold such application for a period of ten (10) days from date of receipt in the Austin Office. If, after said ten (10) day period, no protest or request for hearing is received in the Austin Office, the application will then be processed.
