

Well Status Change

On October 3, 2018, UL reached out to Sheridan to ask for Status Updates for the wells on the attached spreadsheet.

UL records showed the wells to be "PR", however the production reports for these wells had been zero for multiple months, sometimes years.

On October 10, 2018, Natasha Davis responded with the current status and status change date in the attached spreadsheet.

Good afternoon.

Please see status on wells requested attached. The well information highlighted in blue was sold to Iskandia Energy Operating, INC. (Lease ID# 195193), effective 3/1/2017. Tony Tamborello, will follow up with you as far as the volumes and royalty rates. Let me know if you have any additional questions.

Thanks,

Natasha Appling-Davis
