Good afternoon,

Below is the requested information for the UL Mason Unit 6LS & 7LS:

UL Mason Unit 6LS

I need the perf interval they are each producing from. – 9,699 – 17,356
The date of first production for each well. UL Mason Unit 6LS – 08/21/16
The products to be reported (oil/gas or both) – Oil and Gas (Both)
The type of completion (oil or gas) I am guessing it is oil since they have been assigned RRC # 45925. - Oil
