CHEVRON MIDCONTINENT, L.P.
15 SMITH ROAD

MIDLAND TX 79705

Dear Operator:

On JULY 8, 2013 Commission staff approved a Form P-4(s) for the attached referenced lease(s) designating a new operator on Commission records. Effective 07/02/13, the operating responsibility for the well(s) designated on the proration schedule for the attached referenced lease(s) has been transferred in its entirety to MAGNUM PRODUCING, LP.

By separate letter, the acquiring operator will receive notification of their responsibility for the regulatory compliance of the attached referenced lease(s) including plugging of well(s) pursuant to Rule 14 and the physical operation and control of each well designated on the proration schedule on the date of P-4 approval.

If you have any questions concerning this transfer of ownership, please contact the appropriate proration analyst as listed on the attachment.
