Here you go:

Lease# 25071 – University 18-19 #1 – The previous rod pump equipment and tubing was pulled; the wellbore was cleaned out and we ran back in the hole with an optimized rod pump design. Well RTP date 03/15/22.

Lease# 25071 – University 18-19 #2 – This well was plugged and abandoned.

Lease# 26163 – University 18-4 #2 – The well had produced up to December 2019 when it was "frac-protected" for offset horizontal completion work and has been shut-in since. The wellbore was cleaned out and we ran back in the hole with an optimized rod pump design. Well RTP date 03/15/22.

Lease# 26163 – University 18-4 #3 – same as above.

James R. “Dee” Alexander, III, CPL
