Good afternoon! Thanks so much for your response to our shut in request. It is very much appreciated. On the two wells that have been acquired by XTO, we still need a shut in date since they were shut in while you were the operator.

State of Texas FW 1 42-475-32208 RRC 32336 It looks like this well has not produced since January 2012 (Shut in 6/1/2004 and TA'd (Temporarily Abandoned 5/2/11))

State of Texas FW 7H 42-475-36021 RRC 43620 It looks like this well has not produced since April 2015 (Shut in 5/29/2015)
