Re: Plugging of the State University B 16 Well  
Block 16, Section 2 UL Survey  
Ward County, Texas  
API # 4247533900

To Whom This May Concern,

According to our records, you are the surface owner of the above referenced land where the State University B 16 well is located. Pursuant to Title 16 Part 1 Chapter 3 Rule §3.14 of the Texas Railroad Commission Rules and Regulations, Four Corners Petroleum II, LLC ("FCP"), as operator of the subject well, is hereby providing notice of intent to plug and abandon the subject well.

In the near future, FCP will be plugging and abandoning the subject well in accordance with the rules and regulations set forth by the Texas Railroad Commission. Per those rules, you may have a representative present to witness the physical plugging of the well.

Should you have any questions, or wish to be present at the plugging, please contact the undersigned at (303) 731-0076 for scheduling.

Sincerely,  
Four Corners Petroleum II, LLC
