To Whom It May Concern:

Pilot Water Gath Delaware LLC is withdrawing the P4's listed below due to bond issues in the P5 department. We are trying to get these wells moved out of Felix Water LLC name so that we can inactivate the P5 and close out the bonds associated with it. When we acquired Felix Water the wells were plugged but the proper paperwork was never filed with the RRC and we are working to get that accomplished. Please transfer the wells to Pilot Water Solutions SWD LLC as soon as possible the original ink signature P4 should be in Austin by now. Thanks for any help you can give us on this.
